CARDIOLOGIST

Dr. Columbus Batiste is a double board-certified Cardiologist, Interventional Cardiologist, and passionate lifestyle advocate. Through the support of many giants in the field of lifestyle medicine, he embarked on a crusade to educate and empower patients to enact change and defeat these preventable diseases thereby extending their health-span.

AUTHOR

In SELFISH: A Cardiologist's Guide to Healing a Broken Heart, Dr. Columbus Batiste provides the ultimate blueprint for coping with the everyday stressors of life that lead to heart disease, anxiety, and depression. Built upon an evidence-based approach to optimal health, SELFISH challenges readers to combine self-care techniques with the transformative power of plant-based nutrition to truly heal from the inside out, and enjoy life on purpose.

SPEAKER & CONTRIBUTOR

Dr. Batiste's engaging viewpoint on heart health not only captures the attention of audiences but also imparts enlightening insights. Recognized for his expertise, he has been featured in renowned documentaries like "Eating You Alive" and "The Game Changers." Moreover, he shares his wealth of knowledge on maintaining a healthy heart and adopting a plant-based diet through interviews on television, radio, and various podcast platforms.
